## WARNINGS - Read Before Using Your Dreamcast Video Game System

### CAUTION

Anyone who uses the Dreamcast should read the operating manual for the software and console before operating them. A responsible adult should read these manuals together with any minors who will use the Dreamcast before the minor uses it.

### HEALTH AND EPILEPSY WARNING

Some small number of people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns that they encounter in everyday life, such as those in certain television images or video games. These seizures or loss of consciousness may occur even if the person has never had an epileptic seizure.

If you or anyone in your family has ever had symptoms related to epilepsy when exposed to flashing lights, consult your doctor prior to using Dreamcast.

In all cases, parents should monitor the use of video games by their children. If any player experiences dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsions, IMMEDIATELY DISCONTINUE USE AND CONSULT YOUR DOCTOR BEFORE RESUMING PLAY.

To reduce the possibility of such symptoms, the operator must follow these safety precautions at all times when using Dreamcast.

- Sit a minimum of 6.5 feet away from the television screen. This should be as far as the length of the controller cable.
- Do not play if you are tired or have not had much sleep.
- Make sure that the room in which you are playing has all the lights on and is well lit.
- Stop playing video games for at least ten to twenty minutes per hour. This will rest your eyes, neck, arms and fingers so that you can continue comfortably playing the game in the future.

### OPERATING PRECAUTIONS

To prevent personal injury, property damage or malfunction.

- Before removing disc, be sure it has stopped spinning.
- The Dreamcast GD-ROM disc is intended for use exclusively on the Dreamcast video game system. Do not use this disc in anything other than a Dreamcast console, especially not in a CD player.
- Do not allow fingerprints or dirt on either side of the disc.
- Avoid bending the disc. Do not touch, smudge or scratch its surface.
- Do not usually enlarge the centre hole of the disc or use a disc that is cracked, modified or repaired with adhesive tape.
- Do not write on or apply anything to either side of the disc.
- Store the disc in its original case and do not expose it to high temperature and humidity.
- Do not leave the disc in direct sunlight or near a radiator or other source of heat.
- Use lens cleaner and a soft dry cloth to clean disc, wiping gently from the center to the edge. Never use chemicals such as benzene and print thinner to clean disc.

### Projection TELEVISION WARNING

Still pictures on images may cause permanent picture tube damage or mark the phosphor of the CRT. Avoid repeated or extended use of video games on large-screen projection televisions.

### Dreamcast Video Game Use

This GD-ROM can only be used with the Dreamcast video game system. Do not attempt to play this GD-ROM on any other CD player; doing so may damage the headphones and/or speakers. This game is licensed for home play on the Dreamcast video game system only. Unauthorized copying, reproduction, rental, public performance of this game is a violation of applicable laws. # DREAMCAST™

## Control Ports

Use these ports to connect the Dreamcast™ controller or other peripheral equipment. From left to right are Control Port A, Control Port B, Control Port C, and Control Port D. **GUTS' RAGE** uses Control Port A.

## Starting a Game

To save game settings and results and to continue play on previously saved games, insert a Visual Memory (VM) into slot 1 of the controller **BEFORE** turning on the Dreamcast.

1. Insert the **GUTS' RAGE** CD-ROM into the Dreamcast and close the Disc Door. Press the Power Button to turn the unit ON.
2. From the Title screen, use the Analog Thumb Pad or Directional Button to highlight **NEW GAME**, and press the A Button.

3. To continue a saved game, highlight **LOAD GAME** and press the A Button. Highlight the saved game you want to play and then press the A Button.

(When you load a saved game, the game will scan for a VM and check its data. If you don't have a VM inserted, follow the on-screen directions to play without a VM.)

## Vibration Pack

**GUTS' RAGE** supports the Jump Pack vibration peripheral. When inserted into the Expansion Socket of a Dreamcast controller or other compatible peripheral equipment, the Vibration Pack provides a vibration effect that can considerably enhance the game play experience.

- To return to the Title screen at any point during game play, simultaneously press and hold the A, B, X, Y and START Buttons. This will cause the Dreamcast to soft-reset the software and display the Title screen.

## A WORLD WITHOUT HOPE

Cutsu (Cuts to his friends) and Casca are the only survivors of a band of highly trained and feared mercenaries – the Hawks. The Hawks were slaughtered by the supernatural warrior clan, ominously known as the “God Hand.” In that final epic battle, Casca’s sanity was traumatically scarred by the carnage she witnessed. Even Cuts’ love cannot free her mind. Now Cuts roams the land searching for his destiny, a cure for his beloved Casca, and to exact revenge against the God Hand’s minions.

As Guts and Casca enter a region ravaged by years of wars and famine, a vile plague is sweeping the land. It has struck fear in peasants, townsfolk and nobles alike. Even the armies dread this approaching pestilence.

The threat is embodied in a horde of parasitic plants. Named Mandragora, these plants attach to humans and soon transform them into grotesque creatures – the Mandragorans. Once attached, the plants control all the actions of their unwilling hosts.

Little is known about Mandragora and its minions. But a strange voice was heard rising from the ground as Mandragora uprooted itself, and the aggressiveness of its attacks is legendary. Most of the land is now contaminated by these creatures. Rumor has it they congregate in a village near the castle protected by a nun.

Baron Balzac of this Kingdom is much feared for his skill in battle. But now he seems distracted as he searches for an antidote for the Mandragora plague. Can he dare to hope ...

# CHARACTERS

**G**uts (Gutsu) is one of only two people to survive the solar eclipse massacre at the mercy of the God Hand's minions. He now wanders the world seeking revenge against them, armed with the mighty Dragon Slayer sword.

Guts was branded with a mark as he fled the God Hand's massacre. The brand serves as a tracking device for the God Hand, but it also forewarns of danger and imparts Guts' Berserk rage. It will change and bleed as God Hand draws nearer or when the minions perform a human sacrifice.

**T**he Dragon Slayer is a fearsome 7-foot sword crafted for Guts by Godo the master metallurgist in appreciation for saving his life. Guts swings it with deadly accuracy, but because of its length it can catch on walls in narrow halls.

**O**nce Casca was the feared leader of the Hawks. But the God Hands' massacre left her so severely traumatised that it drove her to madness. Her total recovery is in doubt. Only Guts' love may save her.

**P**uck is Guts' diminutive fairy partner. By nature cheerful and easily elated, Puck is a valuable elfin friend.

**R**ita is a traveling performer, perhaps of gypsy descent. An adept knife handier, she learned this talent as part of her performance. This fascinating street-artist is a strong-willed ally.

**B**aron Balzac is the tyrannical ruler of the Kingdom infested by Mandragora's minions. He is wise and strong, but his motives are clouded.

**E**riza is the caregiver for Mandragora's victims. A woman of deep spiritual faith and compassion, she is opposed to Balzac's atrocity toward those afflicted by Mandragora.

**D**antieth is the leader of the underground resistance against Balzac. Strong and wise, he wants to find a cure for the plague in order to save his son.

**J**ob is Rita's former travelling companion. A gentle giant of a man, he used to assist Rita in her street performances until he became possessed by one of Mandragora's minions (which attached itself to his chest).

**N**osferatu Zotto, one of the oldest living servants of God Hand, has taken a liking to this region. He has assumed the form of a Minotar and has become a formidable creature (who some say is the vessel of Griffith).
